## L. S. Howard Explains Plan

Illegal slot machines and liquor sales to minors are to be targets of the first activities of the newly formed Citizens' Protective League of the San Francisco Peninsula, Lowry S. Howard, president, said in a statement emphasized the fact that the permanency of this organization will make its effectiveness lasting.

The statement by Mr. Howard follows:

"The skepticism with which the launching of the Citizens' Protective League of the San Francisco Peninsula has been greeted by some law enforcement officials is understandable. They recall that reform movements and reform committees are usually short-lived. There is apt to be too much anger, too much talk, too much blaming of public officials, and the crusading enthusiasm soon subsides, leaving the job unaccomplished.

**TO SEEK PERMANENCY**

"The leadership of the Citizens' Protective League is well aware of that tendency and so is determined to organize slowly, carefully, and, above all, on a permanent basis. In this course we are following the porgram of a similar organization which has been functioning in St. Louis County, Missouri, with such effectiveness during the last four years as to have attracted nationwide attention. Many will recall reading of the remarkable accomplishments of that persistent Missouri Citizens' Committee in last August's issue of the Reader's Digest.

"Patterning after the St. Louis plan, the Citizens' Protective League here has spent more than nine months in setting up its organization and selecting its personnel. Its carefully chosen leadership, drawn from every walk of life, is representative, independent and potent. It will be effective and it will be lasting. It must be lasting to be effective.

**CROOKS RUN TO COVER**

"We have no illusions that the current, magical disappearance of slot machines and suspension of gambling activities in the Peninsula area are intended to be anything but temporary. Crooks of the type who operate those rackets always run to cover at the first sign of danger, but come crawling out the minute the storm is over. But when they crawl out this time, or the next or the next after that, the Citizens' Protective League will still be on the job.

"The Citizens' Protective League does not propose to growl at enforcement officials about conditions, but will support and sustain and co-operate with them in their law enforcement efforts.

**FIRST TARGETS NAMED**

**"I am confident that all of our officials are one with the citizens in believing that the operation of illegal slot machines and the sale of liquor to minors, two evils which lately have become increasingly flagrant, have no place in this area of good homes and fine schools. The league proposes to marshal public support behind enforcement officials, and keep itself continuously organized so that its efforts to stamp out those evils and keep the crooks responsible for them permanently exiled may be effective. Those two evils will be the targets of the league's first activities.**

"It is necessary, of course, that the league be numerically strong in memberships in order to be effective. For that reason all citizens interested in the league's objectives are asked to join. There are no dues no assessments, no financial obligations. All you need to do to become a member is sign a membership card endorsing the league's objectives.

"The organization will be financed by voluntary contributions."

## HERE ARE MAIN OBJECTIVES OF PROTECTIVE LEAGUE

"1. Encourage an active and continuous interest in local affairs and vigilance in protecting our communities from all influences which may tend to lower the quality of home and school environment.

"2. Prevent the sale of liquor to minors; oppose the sale of alcoholic beverages near schools and colleges, and keep the number of liquor licenses to a minimum.

"3. Insist that the county and city law enforcement officers enforce all laws against gambling devices, bookmaking and gambling resorts.

"4. Request the State Board of Equalization not to renew permits of resort keepers found guilty of selling liquor to minors, violating the gambling laws, or other immoral practices.

"5. Co-operate heartily with those officials who enforce the law and strenuously resist the influence or activities of professional gamblers or other undesirable elements in the political affairs of our communities.

"6. Support, sustain and co-operate with all officials and courts in their law enforcement efforts.

"7. Protect the young people against the sale or circulation of obscene or indecent literature in our communities."

## IF YOU WANT LAWS ENFORCED SIGN AND RETURN THIS COUPON

**To JOIN the CITIZENS PROTECTIVE LEAGUE, SIGN and HAND IN this coupon to any officer or board member or the Tribune OR MAIL to POST OFFICE BOX 631, REDWOOD CITY, CALIF.**

Believing in the objectives of this organization and desiring to lend our personal influence to their realization, we, the undersigned, hereby list ourselves as members and pledge our support to measures adopted for that purpose. (It is understood there are to be no dues or assessments but voluntary contributions will be accepted.)

## Motorist Slugged, Left in Vacant Lot

Gene G. Camozzi, 42, of 475 Gates St., San Francisco (not Eugene J. Camozzi, manager of the San Mateo Blues), woke up in a vacant lot in Daly City Sunday.

Camozzi told San Francisco police that three men had forced their way into his automobile, slugged him and robbed him of $35 as he started to drive home from Twenty-fourth St. and South Van Ness Ave. early in the morning.

**TWO BACKWARD TOWNS**

ENOLA, Neb. (AP)—Residents of Enola, Neb., and Enola, S. C., have much in common. The South Carolina town got its name by spelling "alone" backwards. This northeast Nebraska town got its name by spelling backwards the last name of its founder. Thomas Malone, but deleting the letter M.
special policeman.

## Riley Figures Reveal Gains

Maintaining its lead as the fastest growing county in Northern California, San Mateo County today boasts a population of 110,000 according to estimates compiled by State Controller Harry B. Riley.

The county's population jumped 32,595 or 42 per cent since the 1930 census, Riley's figures indicate. They were taken from estimates by county auditors, and are the first permitting comparison for the state as a whole that are not based on arbitrary expectancy ratios.

Only San Diego County with an estimated 70 per cent increase in the past eight years shows a faster rate of growth than San Mateo County. San Diego now boasts 357,340 persons, according to the estimate. Los Angeles, which jumped 135 per cent in the 1930 census, has gained only 7 per cent since; San Francisco, with 25 per cent in 1920-30 showed only 15 per cent for 1930-38.

San Mateo County scored a sensational increase in the 1930 census, 110 per cent, second only to Los Angeles. Comparative figures:

| COUNTY | 1930 Gain Pct. | Population | 1938 Gain Pct. |
|---|---|---|---|
| San Mateo | 110 | 110,000 | 42 |
| Santa Clara | 44 | 197,000 | 36 |
| San Benito | 26 | 13,000 | 15 |
| Santa Cruz | 42½ | 48,000 | 28 |
| Monterey | 92 | 75,000 | 39 |
| Los Angeles | 135 | 2,386,242 | 7 |
| San Francisco | 25 | 737,000 | 15 |
| Alameda | 86 | 600,000 | 26 |

## Anderson To Press Hillsborough Plan

Congressman Jack Anderson announced in Washington this week that the offer of the Carolans Estate, Hillsborough, for use as a Pacific Coast White House will be given official consideration by Congress when details of the offer are ready.

The estate was sold at a reported price of close to a million dollars in 1930 by Mrs. Harriet Pullman Schermerhorn, daughter of the railroad car magnate and widow of Francis Carolan, noted San Francisco attorney.

When the offer is complete, it will be presented to President Roosevelt for his recommendations and will be given to the House of Representatives where any appropriations must originate. Anderson is a member of the committee on public buildings and grounds which must consider the proposal.

## HERMIT OF MUSSEL ROCK DEAD; STARVATION BELIEVED CAUSE

"The Hermit of Mussel Rock," aged eccentric who preached the gospel of abstinence and self-denial, was found dead in his seaside shack south of Rockaway Beach this week, apparently the victim of his own theory.

Coroner William F. Crosby said that starvation evidently caused the man's death. It was thought he had succumbed a month or more ago.

Aloof from outsiders, the "Hermit" was involved in a stabbing fray two years ago when it was alleged that he stabbed a man who sought to talk to him. His shack, in which he had lived for a number of years, was made of driftwood and mud.

The body was discovered by George L. Smith of San Francisco, who several months ago had managed to become friendly with the old man. Smith had promised to visit the man when he next came down the Coastside, and when he stopped in yesterday to bring him some tobacco he saw the body on the shack's only bed.

The man was identified through naturalization papers found in the cabin as Stanislav Julius Ivan, 55, a native of Czechoslovakia and apparently without any relatives. He was naturalized in San Francisco in 1928.

Smith verified tales of the man's eccentricity and said that for the past few weeks he had been living on bird seed. Dep. Sheriff Adolph Waldeck, who investigated, said he found quantities of the seed around the shack.

The city of Amarillo, Texas, is building a "rabbit-proof" fence around its new municipal golf course to prevent plains jackrabbits from nibbling the greens.

## Hull To Address Convention in S. F.

Invitations requesting approximately 9000 California attorneys to gather in San Francisco July 10-15 for the annual American Bar Assn. convention were dispatched yesterday from the office of the State Bar.

In urging the state's lawyers to attend the national conclave, Secretary Claude Minard of the State Bar pointed out that during the five-day session many questions of exceptional interest will come before the gathering for discussion.

Included in the array of distinguished guests scheduled to attend are Secretary of State Cordell Hull and Solicitor General Robert H. Jackson, according to Hartley F. Peart, president of the San Francisco Bar Assn.

Approximately 10,000,000 persons in the United States play the piano.

## Lindbergh Inspects Stanford Facilities

Before leaving for Seattle early Tuesday to continue his inspection of Pacific Coast aeronautical facilities, Col. Charles A. Lindbergh inspected the Guggenheim Foundation aeronautics laboratory at Stanford University and was guest of honor at a luncheon in the Stanford Union.

Colonel Lindbergh arrived at Moffet Field, Sunnyvale, shortly before 11 a.m. and was met by Prof. Alfred S. Miles, of the Stanford aeronautics faculty.

Lindbergh inspected the laboratory, which includes a world-famous wind-tunnel for testing plane models, in the company of several members of the engineering faculty.

Piano production in the United States the first four months of 1939 was 28.18 per cent ahead of the same period in 1938.

## MENLO PARK NEWS NOTES

**SON BORN TO PATTERSONS**

MENLO PARK, July 7.—On July 4 a son was born to Mr. and Mrs. Adam Patterson. He, no doubt, will be named Thomas Jefferson, after the first signer of the Declaration of Independence.

Menlo Park spent a safe and sane Fourth. There were no fires and no casualties of any kind. This, no doubt, was due to the vigilance of Fire Chief Mike Hara and the ban on the sale of firecrackers.

Dr. A. T. Leonard, a native of Ireland, aged 81, who passed away in San Francisco this week, resided here several years ago and always had a number of local patients. He was a noted physician and surgeon. His only son, A. T. Leonard Jr., is also a leader of his profession.

Mrs. Catherine E. Cattle, a native of Woodside, aged 86, passed away at her home in San Jose Sunday. She is survived by three grown children. Mrs. Cattle was a sister of Mrs. A. L. Gale of Menlo Park.

Mr. and Mrs. Howard Crane and daughter are here from Los Angeles to spend two weeks with the former's mother, Mrs. E. J. Crane. Mr. Crane is an executive with the Standard Oil Co.

Misses Bessie and Agnes Mason have opened their Summer cottage at Seabright for the season. They will entertain their Menlo Park friends at the seashore during the Summer.

Atty. J. J. McShane and family have taken a cottage at Atherton for the Summer. Mr. McShane is a past grand president of the Native Sons of the Golden West. He is prominently mentioned for the appointment of superior judge of San Francisco. The recent legislature created two new judgeships for San Francisco. Mr. McShane is an able lawyer with a fine judicial mind. It would be a popular appointment.

The Duff cottage on Santa Cruz Ave., to the rear of the McCarthy grocery store, was badly damaged by fire last Friday night. The building was erected in 1875 and for some years was used as a hall. It was remodeled and the first occupant was the late F. Duff who moved into it shortly after his marriage.

Miss Carmel O'Keefe spent the holidays at Reno as the guest of her uncle, J. B. Lynch, superintendent of the Nevada State University grounds. Later Miss O'Keefe will motor to Lake Tahoe to spend the Summer.

John Maloney and his pretty wife were here from Los Angeles on a visit to the former's mother, Mrs. C. T. Maloney over the Fourth. Mr. Maloney is a cartoonist on the Evening Express and is accounted one of the topnotch men in the profession. Mr. Maloney is a graduate of Sequoia High School where he won honors as an artist.

Edward Charles Lampard, who passed away at Brisbane last Saturday at the age of 79 years, was well known in Menlo Park where he was superintendent of the Donohoe Estate for many years. After leaving here he was employed at Cypress Lawn Cemetery until a short time ago. His son, Lester Lampard, a former collector for the P. G. and E., passed away last year.

## Coast Guard Base Contract Awarded

San Mateo County's latest addition to safety measures—the new U. S. Coast Guard seaplane base at Mills Field—will be under construction immediately, according to an announcement made this week by Commander R. S. Patch.

The new $1,000,000 base will include combination barracks and administration building on the 20-acre site donated by the City of San Francisco, hangars and a channel for seaplane ramps.

Contract for the construction project was let to the William Wills Co. of Seattle, on a bid of $513,000.

# City Accepts New Library

Redwood City City Council, in a short "pre-holiday" session Monday night, awarded the contract for paving of two streets to the Menlo Park contracting firm of Ferioli & Bettini.

Lowest of five bidders, the Menlo Park company contracted to pave Nevada St. from Brewster to James Aves., and Katherine St. from Nevada to Myrtle Sts., including curbs and gutters, for $7272.41.

Redwood City Recreation Commission was granted the use of the old library building, subject to approval of the board of library trustees, for office space and recreational work. Alfred Morton, city recreation commissioner, told the council it was the commission's plan to place an archery range and craft rooms in the basement of the building, with offices and other smaller recreational facilities in the second story.

On the recommendation of Mrs. A. S. Kalenborn, president of the Redwood City Board of Library Trustees, the council approved the reappointment of Dr. N. C. Cummings and Sanford Dole to the board.

Only a minimum of business was considered by the council last night as two of the councilmen, Evans A. Fletcher and George W. McNulty were absent.

Bids on three delinquent tax lots acquired by the city were accepted by the council.

A permit granted at the last session of the council to Andrew Sifuentes to exhibit motion pictures on one side of a building on Broadway was rescinded by the council, and money expended by Sifuentes for advertising purposes was to be refunded.

Approval of $100 for publicity and advertising of the city's Fourth of July celebration this afternoon and evening was given by the council.

The new library building and furniture for the building were officially accepted by the council. The new city hall was accepted previously.

## *Library To Open Monday at 10 A.M.*

City Librarian Wilhelmina Harper announced today that the Redwood City Library, closed for the past month during transfer to its new building, will reopen Monday at 10 a.m. The John Gill Children's Room will be open from 1 to 5 p.m. for the Summer, she said.

Miss Harper said no fines would be charged on outstanding books until July 15.

# New Delivery Plan Studied

The United States postoffice inspector has completed a survey of Menlo Park and Atherton for the purpose of obtaining data on the establishment in the near future of a new system of mail delivery to both communities, it was learned today.

In the past four years the receipts of the Menlo Park postoffice have increased by 40 per cent, and mail is being distributed to 7712 persons from the postoffice, according to Harry Morey, Menlo Park postmaster.

The city itself under the new system will have mail distribution twice daily. The Stanford Park area will be served by a bicycle delivery. The Atherton district will abandon its present rural system.

In its place, a motorized vehicle will be employed to make deliveries. Collection boxes will be placed at various points throughout the Atherton district for pickup service. This system will be adopted generally throughout the postal district.

Parcel post deliveries will be made in the afternoons, the postmaster said. He expects official notice of the new system shortly.

As to the establishment of a new postoffice for Menlo Park, nothing has been learned definitely. Even if funds are appropriated for a new building, probably it will be several years before architect's plans are adopted, a location chosen, and actual work begun, it was stated.

## Catholic Dance Proves To Be Gala Success

SAN CARLOS, July 6—With the nine-piece orchestra of Fred Markuse arranged on the stage of the city hall in a typical Hawaiian setting, the semi-formal dance held Saturday evening by the Junior Council of Catholic Women was a gala success.

Miss Alleen Glennan, chairman of arrangements, was assisted by Miss Doris Lagomarsino, president of the new group, Marie Kienastt, Dorothy Roach, Patricia Hennessy, Lillian Kestani and Marilynne Brandon.

★ ★ ★

**PRECEDED BY DINNER**

Among some of the social functions held on Saturday evening preceding the semi-formal dance arranged by the Junior Council of Catholic Women was the dinner party presided over by Miss Marie Kienast and Miss Alleen Glennan.

Both girls were recent graduates from the College of Notre Dame. Seated around the dinner table were Rita Crampton Jean Giddens, Doris Lagomarsino, Rita McDonnell, Jack O'Brien, Bill Kunst, Ward Heiser, Bill Hart, Bob Cahill and Francis Nash.

**CROWDS ATTEND FLOOD PARK PICNIC**

A cloudy day failed to dampen the enthusiasm of hundreds of North Fair Oaks, Friendly Acres and Southern San Mateo County holiday picnickers, who crowded into the new Flood Park to celebrate the Fourth of July.

Flags, bunting and basket luncheons were in evidence as gay carloads of motorists cruised along Middlefield Rd. and El Camino Real toward the county recreation park.

The event was staged under the joint auspices of the North Palo Alto and Friendly Acres Improvement Clubs. Invited to attend the celebration were the supervisors of San Mateo County; mayors of all the adjacent communities and all holiday seekers who wished to bring their own lunches and partake in the lemonade, coffee and ice cream provided by the joint committee.

Scheduled to speak briefly this afternoon were Ben Smith of Friendly Acres and Charles Delacy of North Fair Oaks, as well as the supervisors. Chairman of the day was Charles Meinert.

"Next time we'll *Telephone ahead*"

This year more than ever it is advisable to reserve accommodations at hotels and resorts. Telephoning ahead gives you the opportunity to make known just what you want, to discuss, and to receive confirmation. It is two-way communication.

Calling homeward while you are away is inexpensive, convenient, pleasurable.

# PTA'S ARE PREPARING FOR FALL ACTIVITIES

## Groups Close Season Until School Session Opens Again in September

### Belmont President Names Chairmen For Next Year

BELMONT, July 6—Mrs. Richard Rodrigue, newly elected president of the Belmont Parent Teacher Assn. has named the chairmen that will carry on the work of the unit during her presidency.

They are: Ways and means, Mrs. J. J. Conway; membership, Mrs. James Haigh; magazine, Mrs. David Horn; hospitality, Mrs. Howard Williams; student aid, Mrs. Loren Barnes; program, Mrs. Caston Pope; publicity book, Mrs. Julian S. Combatalade, and publicity, Mrs. Marcia Whipple.

The first meeting of the new president with her new department heads will be held in September at the schoolhouse auditorium. Mothers sending children to the schcol for the first time will be the guests of the unit, at a reception and tea.

Officers who will work with Mrs. Rodrigue are: Vice president, Mrs. Caston Pope; honorary vice president, Mrs. Mabel Gambetta; secretary, Mrs. Claire O'Brien; corresponding secretary, Mrs. E. Holm Arnold; financial secretary, Mrs. James Haigh; treasurer, Mrs. William Keil; parliamentarian, Miss Eileen Russell; historian, Mrs. Ernest Bohm, and auditor, Mrs. Morie Morrison.

### Executive Board Meets With New Leader At Woodside

WOODSIDE, July 6—Mrs. G. E. Shine, retiring president of the Woodside Parent-Teacher Association, called the members of her executive board to her home for a final meeting the last of June.

Reports of all recent activities were given and the financial affairs of the organization reported in order for the close of the fiscal year. The welfare projects, which the unit has carried on this Spring, were topics of consideration before the group.

Upon arrival of the members, Mrs. Shine served dessert at daintily appointed card tables, the business session following.

Those present were Mrs. Bernard Bernasque, Mrs. D. E. Ryan, Mrs. Leland John, Mrs. E. J. Bonanfant, Mrs. Arthur C. Cleaveland, Mrs. Bernard McCann, Mrs. O. M. Durham, Mrs. P. D. Jarvis, Mrs. Andrew Loushin and Mrs. B. D. Ralston.

**MRS. ROSE PITTO IS GREAT GRANDMOTHER**

WOODSIDE, July 6—Mrs. Rosa Pitto, for many years a "Summer" resident of Alta Vista Rd., became a great grandmother when a son was born recently at Mills Memorial Hospital to Mr. and Mrs. Joseph Franchi of San Mateo. Mr. Franchi, son of Mr. and Mrs. Thomas Franchi of San Francisco, is Mrs. Pitto's grandson. The little newcomer has been named Ronald Joseph.

Los Angeles has recently opened an $11,000,000 union station.

## FOURTH OF JULY FETES ENJOYED ON PENINSULA

**BASEBALL GAME BARBECUE**

BELMONT July 6—A group of the younger set of Belle Monti enjoyed a baseball game and open-grill weiner roast in the evening at the Belle Monti Country Club playground on the Fourth of July.

This has been an annual event and Tuesday's affair marked the fifth get-together outing.

In the group were Kay Lloyd, Frances Olds, Maridora Lane, Wilma Zentell Betty Baker, Celia Burt, Jean Keifer, Ann Coutts, Barbara Harry, Jackie Walker and Emily Lane, Robert Zentell, Bill Walker, Gerald Keifer, Bud Coutts, Robert and Tom Lane, Woodrow Burd, Willard Harry, Jack Lloyd, Norman Vance and Hubert Ray.

★ ★ ★

**HOLIDAY GUESTS**

Guests at the home of Mr. and Mrs. Albert Lane of Belle Monti over the Fourth of July holidays were Miss Ann and Bud Coutts of San Francisco. Bud recently returned from a trip to Honolulu.

★ ★ ★

**FAMILY REUNION**

SAN CARLOS, July 6 — The Fourth of July holidays had a double meaning for three brothers and their sister, who after a period of 32 years were reunited for the first time Tuesday. In the group were Mrs. J. H. Henderson, the sister who came here from Monroe, La., and the three brothers, C. R. Knight of San Carlos, C. W. Knight of San Mateo and H. A. Knight of Klamath Falls.

★ ★ ★

**ANNUAL GATHERING**

WOODSIDE, July 6—The Byrne home on the Canada Rd., scene of so many memorable family gatherings, added another to the list with the annual Fourth of July barbecue, attended by relatives from all about the Bay Area.

Mrs. Mary Byrne and Mrs. Theresa Elkins, accompanied by a young nephew, have just returned from Compchee, Mendocino County, where they visited with their brother Will Shine, for a week.

"Bear, multiply and overrun the earth," is the slogan of a Japanese organization campaigning for bigger families.

Joe Kilgrow, backfield spargplug of Alabama's 1938 Rose Bowl football game, hit the first 1939 home run for the 'Bama baseball team.

**NEWLY WED HUCKES ARE SETTLED IN NEW HOME**

SAN CARLOS, July 6—Mr. and Mrs. Harold Hucke who were recently married at the Redeemer Lutheran Church in Redwood City are now located in their new home in San Carlos Manor. Mrs. Hucke is the former Miss Ann Dimmen of Redwood City, and Hucke is the son of Mr. and Mrs. H. J. Hucke of San Carlos.

**FIFTY-SECOND WEDDING ANNIVERSARY CELEBRATED**

WOODSIDE, July 6—Monday of this week was another milestone in the wedded life of Mr. and Mrs. Henry Jenkins for it marked their 52nd anniversary. Friends remembered the day with congratulatory messages to Woodside's beloved pioneer couple and the evening was marked by a family gathering.

A rusted steel shoe recently found in Texas is believed to have been part of a coat of mail worn by a Spanish explorer in the 16th century.

"Don't Pay Me One Penny Until You Have Worn My Plates for 30 Days"

**No Money Down**

Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.

(This offer applies to plate work)

These are our finest Plates. We have none better, no matter how much you pay us. NOW! Same low prices as our inexpensive rubber plates.

DU PONT
REG. U.S. PAT. OFF.
**DENTAL PLATE**

MATERIAL . . . so like Nature's own gums your closest friend can't tell. Plate material developed by world-famous du Pont Laboratories NOW HERE! This beautiful, moist appearing du Pont material is odorless, tasteless . . . yet with all its daintiness it is made to stand the roughest use. The light weight of du Pont or *"Realistic"* plate material (usually less than 1 ounce) makes it possible for Dr. Campbell to fashion a plate which will fill out your cheeks, so desirable for a youthful appearance.

**PLATE REPAIRS**

There's no need of buying a new plate when your old plate can be made to fit right and look like new. Use DR. CAMPBELL'S dental laboratories for your next plate repair.

**Dr. Campbell's FINEST Most Beautiful Dental Plates . . .**

Made in Dr. Campbell's own laboratories. Each NATURAL shaded PORCELAIN tooth is set in the NATURAL gum-pink plate material as if it were growing there. They are so like one's own natural, healthy teeth and gums that your closest friend would never know the difference. These plates are thin, light weight (less than one ounce) and very dainty, yet they are made to stand the ROUGHEST USE.

# More Blazes, Less Damage

A loss of only $3862 by fire for the fiscal year just ended, compared with a loss of $5320 for the same period, from July, 1937, to July, 1938, skidded Redwood City's per capita fire loss down to only 28 cents, 10 cents less than a year earlier.

In 1931-32 an all time low record of 16½ cents per capita was established when the fire loss for the year was only $1685.

But despite the $1458 drop in total fire losses, there were 116 more fires: 270 during the fiscal year just ended, and only 154 a year earlier, according to the annual report released today by Fire Chief Mark E. Ryan.

"The principal reason for this," Assistant Chief Joseph Lodi explained, "was due to the large number of grass fires during the past year." He said there were 127 grass fires compared with only 66 the year previous.

Other types of fires included: concrete buildings 4, frame buildings 30, unclassified buildings 10, chimney 12, rubbish 16, miscellaneous 53, and 15 false alarms. (Four of the 15 false alarms were turned in in one night by Palo Alto High School pranksters.)

Most dangerous day was Saturday, apparently when most rubbish was being burned. There were 56 fires on this day. Sundays followed with 47. Blazes on other days were: Mondays 36, Tuesdays 27, Wednesdays 36, Thursdays 31 and Fridays 37.

From 12 noon until 3 p.m. was the period during which most fires were reported. During this three-hour period, 73 blazes were recorded. Following closely was the time from 3 to 6 p.m., with 63. Other times: 6 to 9 p.m., 42; 9 to midnight, 31; 12 to 3 a.m., 8; 3 to 6 a.m., 4; 6 to 9 a.m., 9, and 9 to 12 noon, 42.

Twenty-three fire drills were held, with an average number of 17 firemen participating.

Estimated value of property where fires occurred was $966,300, with a total insurance of $312,245, according to the report.

The department responded to eight calls outside the city and relayed 42 calls to other fire departments.

# Art At S.F. Fair

**Italian art valued at $30,000,000 has been viewed by thousands at the California World's Fair, and will be seen by many more thousands, for all of the fabulous collection will remain on Treasure Island until the Exposition closes. Pictured is the world-famous bronze Statue of David, with the head of Goliath, by Verrochio, lent by the Firenze National Museum. The art will go direct to Italy from Treasure Island never to leave again, according to Italian decree.**

Linus Frey, Red's infielder, is the National League's youngest veteran. He is 26 and this is his seventh year in the majors.

# Scouts Program Adventure Trek

An overnight hike with all the trimmings is in store for Redwood City and Southern Division Boy Scouts next Tuesday and Wednesday, according to Field Executive Bradford P. Datson. Scouts will gather at Five Points Tuesday at 9 a.m. prepared with full packs and food for four meals to travel into the back country on an adventure trek. Second and first class cooking requirements, along with the cooking merit badge tests will be given all applicants. Scoutcraft games, stalking, Scout's pace, nature study and outdoor achievements will be on the program, along with a rousing campfire and evening of songs, yells and stunts, Datson said.

Scouts will be organized by patrols. Regular troop leaders will be invited to attend and take part, with patrol leaders in charge of each unit. Twelve scouts from Redwood City Troop 105 have signified through Scoutmaster Art Gillard their desire to go. Reservations for the hike may be made by postcard at 1204 Burlingame Ave., Burlingame. Hikers will return before dinner, Wednesday evening. Red Cross lifesaving and first aid standards will be maintained throughout the trip for the protection of campers, Datson promised.

# Rolph Ranch Blaze Causes $15,000 Loss

## Wind Sweeps Fire To Edge of Nearby Subdivision

**Rolph Ranch on Alpine Rd. near Skyline Blvd. above Menlo Park, now the largest privately-owned game farm on the Pacific Coast, was struck by a $15,000 fire Sunday which for a time threatened to spread before a heavy wind to nearby Los Trancos Woods subdivision. The subdivision boasts about 110 Summer homes.**

James Rolph III, son of the late governor and candidate for lieutenant governor last Fall, discovered the fire at 11:30 a.m. At the time, he said, it involved the second story and roof of the gamekeeper's residence. Woodside, county and state fire fighters answered the alarm, but before the blaze was extinguished it had destroyed the residence, one brooder, the main feed rooms, and a work shop. Another brooder was seriously damaged, several hundred young pheasants were lost or killed, and thousands of incubator eggs and newly hatched birds were endangered when the electric power failed as a result of the fire.

**KEEPSAKES LOST**

In the residence, formerly a caretaker's house and more recently used as a clubhouse on the ranch, were four expensive guns, a number of trophies and etchings of game birds accumulated by the late governor. James Rolph III said one English shotgun alone was valued at $650.

John Volpiano, Woodside fire chief, explained that the gamekeeper's house forms the center of the game bird breeding establishment with wings extending from each side. The east wing was lost completely, Rolph liberating nearly a thousand young birds to save them from the flames. Some flew back into the fire, while others were trampled underfoot. Hundreds escaped to the grass where they remained in hiding, only 300 having been recovered.

The west wing suffered a $400 loss, and only quick action by the firemen, according to Rolph, saved 4000 baby pheasants and partridges hatched the day before.

**HOMES THREATENED**

Spot fires added to the hazard of the situation, according to Volpiano. They extinguished several in the Los Trancos Woods canyon. Another came within 30 feet of the stud barn, and if the barn had gone the fire would have swept through the nearby subdivision, Volpiano said.

Volpiano sent one truck from Woodside in a record 15-minute run. County Fire Warden Bert L. Werder dispatched the La Honda Summit crew, and the state sent a suppression crew from Saratoga Gap. One fireman, Edwin Tate of Portola, was burned about the hands.

Origin of the fire was unknown, although Rolph said he suspected defective attic wiring.

Although only $5000 of the loss was covered by insurance, Rolph said he would rebuild the game farm on a "bigger and better" scale.

Volpiano today was searching for a brown sedan containing five or six men, apparently intoxicated, who set four grass fires late yesterday afternoon.

The firemen returned from the Rolph ranch fire, defeated a San Francisco baseball team 11 to 2 at the Portola field, then concluded their day's work by fighting the four incendiary blazes, set in series along Portola Rd. First was reported at 5:35 p.m. in a hayfield at Portola. In rapid order alarms came in from the Fitzhugh estate, Schilling estate and Searsville Lake.

All equipment was called to combat the four blazes. None did appreciable damage, Volpiano said. Children saw the men in the sedan deliberately set the fires, according to the fire chief, but failed to get the license number.

# Poole Questions Value of Fiesta For Advertising

Principal items of discussion in the board of supervisors meeting Wednesday, at which the once-postponed budget hearing again was put over, were the Junipero Serra Blvd. extension proposal and the possibility that the San Mateo County Floral and Products Fiesta might not be subsidized by county funds next year.

The hearing on the maintenance and operations budget for the 1939-40 fiscal year, which started Saturday, was put over until Tuesday at 11 a.m. Reason for the delay, Chairman Hugh H. Smith said, was that all departments had not been contacted by the board.

**POOLE QUESTIONS FIESTA**

Supervisor John W. Poole voiced the opinion that "considerable consideration" should be given to continued subsidization of the Fiesta in 1940 and thereafter. He said he favored carrying through with the show this year, because the county already has committed itself, but that he had heard numerous comments that the money spent by the county on the Fiesta might be better spent in other forms of advertising.

County Executive Frederick Peterson said he had been assured by Chester P. Lipman, San Mateo, secretary of the Fiesta commission, that the Fiesta would be entirely self-supporting in 1940.

The discussion arose with reading of a letter from Bruce S. Gibson, chairman of the commission, asking an advance of $2500 from the $10,000 appropritaion to pay printing and advertising costs.

**HIGHWAY HEARING**

Peterson urged the board that it set for sometime within the next three or four weeks a public protest meeting, at which any persons concerned might express themselves in regard to the proposed extension of Junipero Serra Blvd. down the Peninsula as a fifth major artery.

**ANOTHER SON IS BORN TO CHARLES MALASPINAS**

Another boy, weighing 6 pounds 13 ounces was born to Mr. and Mrs. Charles Malaspina of Oak St. at 11:49 p.m. yesterday at Middlefield Hospital. The child, who has three brothers and a sister, has not been named as yet. Mr. Malaspina is associated with Bert's Place on El Camino Real.

# City Jubilant At Success Of July 4th Party

## 10,000 View Fireworks Display, 6 Autos Awarded

Encouraged by success of the city's July 4th celebration yesterday, a move was underway today to make the festivities a permanent event on the municipal calendar. Hundreds of automobiles, bearing a crowd estimated at as high as 10,000 persons, clogged the streets in the vicinity of Lower Broadway Tuesday as the community turned out in full force to witness the fireworks display that wound up the festivities.

More than 2000 were on hand in the afternoon to see the various contests arranged by the celebration committee, directed by Charles Holt, but the real crowd turned up in the evening to see the fireworks.

Many automobiles also pulled off to the side of Bayshore Hwy. to watch the display, which took place in a field north of Broadway and east of Walnut St.

**45-MINUTE DISPLAY**

The display lasted for more than three-quarters of an hour, and included many huge sky-rockets, aerial bombs and other colorful pieces.

During the afternoon and evening the Exchange Club and Junior Mariners collaborated on the hot dog concession and sold out their entire stock of 450 "dogs." The Lions Club Beer Den sold 40 cases of beer and soda pop.

Despite the damper put on the greased pig chase by the Redwood City Humane Society, after several residents, led by Mrs. Robert A. Klassen of San Carlos, protested that the pigs might be injured, the program of contests in the afternoon went off with a bang. Half a dozen automobiles, six sets of spark plugs and several cash prizes were given to the winners of the various contests.

## Scout Cubs To Enter Summer Camp Monday

Cubs of San Mateo County trek to their annual Summer camp at Memorial Park next Monday, when buses load all youngsters at 9 a.m. at Sequoia High School for the ride to the park. Buses start from Burlingame, at Howard Ave., at 8:30 a.m. Campers may board at the most convenient loading point, according to Scout officials. Twelve cubs from Redwood City Pack 15, headed by Acting Cubmaster Richard Erlin, have so far signified their intention to attend the encampment. Reservations will be received at Scout Headquarters, 1204 Burlingame Ave., Burlingame, until 5:30 p.m. Saturday.

More than 700 cities in the United States now operate with civil service provisions for their personnel.

# COUNTY TO OUST SQUATTERS FROM RECREATION GROUNDS

County officials today were weighing the proposal to employ a full-time field agent to supervise all county recreation areas in an effort to (1) oust squatters, (2) preserve county property, and (3) protect the county from liability in connection with accidents.

Ronald Campbell, secretary of the recreation commission, presented his request for a field agent to the board of supervisors Wednesday, and said he would make a formal request to County Executive Frederick Peterson immediately.

Asst. Dist. Atty. Daniel E. Sullivan told the supervisors that his office feels such an employe is required to protect the county's interest. He pointed out the field agent could post proper signs on public property, and patrol certain of the county's beach playgrounds.

Most of the beaches, Sullivan said, are unguarded throughout the year, and that an open invitation to the public to swim there exists. He indicated that the county might be liable in the event of drownings in such places.

Squatters have taken possession of certain parts of county recreation property, Campbell said, and have gone ahead with absolutely unauthorized construction. Sullivan said ejection proceedings probably will have to be instigated to remove the families. One is at Thornton Beach, the other at Brisbane.

Other action by the board:

Accepted the report of the California Railroad Commission that it had granted to the Southern Pacific Railroad Co. permission to abandon the non-agency station at Holy Cross, Lawndale.

Approved the claim of $183 from Will H. Toepke, architect in the courthouse improvements, for an electricians' work in the annex.

Passed a resolution calling for the transfer of $500 from the general fund to the East Palo Alto Sanitary District for payment of costs of publication and election for the recently-formed district. The $500 will be returned to the general fund from the first tax revenues of the district.

Tabled the matter of purchasing $2400 worth of new steel stacks for the county library, as requested by Miss Clara Dills, county librarian, and authorized Executive Peterson to purchase $750 worth of new linoleum for the floors of the new library quarters at Middlefield Rd. and Theater St. Peterson said he thought that the old wood stacks now in use by the library could be moved to the new quarters, in some cases.

## *BOYS TAKE OVER DIRECTION OF BOY SCOUT SUMMER CAMP*

By JIM LEWIS

Highlight of camp activities on the Fourth of July was the intercompany track meet conducted by camp Mayor Anthony Campagna. Company C won the meet with 29 points and Company D took second place with 21 points.

In the afternoon, senior officers were defeated in the fifth and last of a series of baseball games with the scouts.

Yesterday was Boy's Day at camp. Mayor Anthony Campagna took over the duties as "chief." Don Orth, police chief, became adjutant for the day, Judge Harold Lucas was made associate camp director and Bob Christie reigned as camp doctor.

Tomorrow will be Knights of Dunamis Day and Saturday evening a special campfire program will be held for visitors and parents. It will be the last public campfire of the scout camp.

With activities in full swing at the Pescadero Camp in Memorial Park, enthusiasm is already being generated for the Kit Carson Mountain Camp at Twin Lakes in the High Sierras, as enrollment figures begin to soar. Only 50 scouts are allowed to go to the mountain camp.

Dates for the mountain camp, which will last for three weeks, are from Wednesday, July 26 to Thursday, Aug. 17. The price for the three weeks is $35, which includes roundtrip transportation.

All applications for the camp should be filed at scout headquarters, 1204 Burlingame Ave.
